

Foundation OCC Genetics Still Relevant Today

OCC Eureka 865E is one of the legendary sires produced and still used at Ohlde Cattle Co.

This Pathfinder Sire's daughters are amazing producers with their easy-fleshing ability, high fertility and soundness.

His Pathfinder Donor Dam, "1204", is one of the legendary Dams in the Angus Breed.

Semen is rare and scarce and this is a unique offering of semen for you to take advantage of and include this great sire into your program via a flush or through AI.
