This sale features sons of Candolier 376, Fabron of Wye, N Bar Shadow, Coleman Great Plains, XXP and long-lived mothers of assured maternal goodness. These 75 Registered Black Angus two-year-old bulls were bred and developed to thrive on the range for the cow/calf producer.

The best testament to our program is the fact that calves sired by our bulls top the Ogallala, Valentine and Burwell sales. These bulls are our best offering yet.

The bulls will transmit Structural Soundness, Fertility, Superior Teats and Udders, Functionally Low Birth Weight, Balanced Growth and Outstanding Carcass Quality to your herd. They will stamp your calves, assure uniformity and transmit the maternal goodness of our herd.

These two-year-olds have the proper phenotype and excellent dispositions. They will assure calving ease. They come from long-lived mothers who wean natural calves that are at least 50% of their mother's weight.

We developed the bulls slowly and only on forage. They aren't hiding behind fat and tons of feed. They will last! We did not include photos of the bulls in the sale book. We want you to see the bulls or videos of them, so you can fully evaluate them and watch them move. You can see the bulls at [www.superiorlivestock.com](http://www.superiorlivestock.com), where you can bid on them if you can't make the sale. Our specific page is <http://www.superiorlivestock.com/production-event-detail?id=1269>.

You can also see the bulls on our website, [www.svr-angus.com](http://www.svr-angus.com). We invite you to visit the website to learn about our program and see the herd bulls, the AI sires and our Foundation Females. On the website, you can also watch *The American Rancher* program that featured our ranch, its history and the history of the Nebraska Sandhills. If you would prefer a CD, please call or email us, and we'll send you one. Or, come to the ranch and see them there.

These 75 bulls embody Timeless Genetics for Today's Producer®. We challenge you to find any other set of bulls that combines the best genetic traits of the Aberdeen Angus breed.

Please come. See the difference!

**HOPE TO SEE YOU ON SALE DAY.**
