** Breeding-age bulls were vaccinated on 10/26/15 with Bovi-Shield Gold FP5 L5 for pre-breeding purposes. All cattle were treated with Standguard for lice on 10/26/15. Spring-born heifer and bull calves were dewormed and have received a second dose of Bovi-Shield Gold FP 5 L5 on 9/8/15. Lot 5A was calf-hood vaccinated on 10/1/15. Fall-born calves were injected with UltraChoice 7 on 10/26/15.
