3rd Annual Oliver Angus Production Sale

October 9-12, 2017

Bid-Off October 12, 7:00 PM, ET

**View the videos at www.brubakersales.com
and www.oliverangus.com**

The Offering:

**3-Bred Donor Quality Cows • 11-Weaned Heifer Calves
14-Weaned Herd Sire Prospects • 1-Herd Sire
16-Weaned – Pre Conditioned Steer Calves for Grass Finishing**

Terms:

Cattle sell under standard terms of American Angus Association. Full payment must be received prior to shipping.

Risk:

Cattle become the risk of buyer as soon as sold

Delivery:

Cattle are available for shipping as soon as sold. Buyers are responsible for shipping. Oliver Angus and Brubaker Sales will assist to acquire shipping.

Procedure:

The bidding process will begin on October 9th and carry through to October 12th. Buyers can call, text or email a bid on one or more lots, starting at the minimum price. Early bids will close on October 12th at 6 PM ET.

At 7PM ET a bid-off will take place via tele-conference. Buyers will enter into a tele-conference line. Early bids will start for a given lot and other buyers will have the opportunity to increase the bid until sold. The tele-conference information will be given when buyer pre-bids or is registered for the sale.

Sale order will start with cows, heifers, herd sire, bulls then steers. We will sell lots with pre-bids first (highest to lowest) then open lots without bids, starting with highest to lowest minimum bids within category.

Buyers may bid on multiple lots, however if a bid is given on any lot and there is no higher bid, the buyer must take that lot.

To place bids contact Ken Brubaker or Spencer Oliver at contact info on the right.

Buyer Registration:

To register to be on the conference tele-auction call Brubaker Sales at 540/908-5799. Buyers will be given the conference call phone number and PIN number to access the auction. Please be sure to call no later than one (1) hour – 6pm EDT – prior to the auction.

Registration Certificates:

Registration Certificates will be provided to buyers at the seller's expense at the time of delivery.

Health:

All calves will be vaccinated prior to shipment and be accompanied with Interstate Health Papers

Sale Book Prepared by:

Friends,

Thank you for your interest in our 3rd Annual Production sale. We were blessed with a good crop of calves and a good growing season in 2017. The results of this year gave us some of our strongest weaned calves to date. As you have noticed, we moved our sale date back several months in order for us to give you a better presentation of our calf crop. We plan to keep our annual sale situated in early October as we move forward.

Over the past two years we have received a tremendous amount of support from friends of my late father Ed Oliver. It has been faith and friends that have sustained us to this point and will carry us. We look forward to making many new friends in the Angus Business. As Ed Oliver frequently said, "A man can't have too many friends".

Again, thank you for your interest in our 2017 offering. Please feel free to contact us and remember, friends are always welcomed to visit.

Sincerely,
Spencer Oliver

Dear Angus Friends,

The Legacy Continues...

The Legacy of Linebred Angus genetics continues At Oliver Angus. As Ed Oliver would say, "the power is in the blood" and this sale offering certainly is evident of that statement.

The consistency in kind is no accident it is the prepotency expressed by blending the genetics that trace to the power of the "41" Alap daughter.

Add this prepotency and consistency to your program. These bulls will provide a nucleus of daughters to build on. For the first time you have the opportunity to acquire 3 Donor Quality cows and a proven herd bull.

Be sure to watch the videos to make your selections and contact us to assist you.

Regards,
Ken

The “Art” of Linebreeding

The Impact of a Great Cow

O Miss Alap 2246-41

The “41” cow and her full sister “40” have been the foundation in the Oliver program. She is the dam of Herd Sires “97” and “147”. She has a progeny WR 9@112 on a 373-day calving interval. She is a daughter of the \$28,000 Alap of Wye

O Mr Banjo 41-147 Logo

A son of the “41” cow, this Herd Sire is a massive and powerful Herd Sire. He is sired by the highly regarded “Banjo of Wye”. His influence sells throughout the offering as the sire or Grand Sire with several calves linebred to him.

O Mr Casey 41-97

Another son of “41” by the \$14,500 “Clarkson of Wye” He blends “Favour” and the great Wye Pathfinder “6767” and the “41” cow. His influence can be found throughout the offering and you will find many calves that are linebred to this sire and his dam.

O Miss 97-41-281

She is the product of a son-dam mating. Sired by “97” and a direct daughter of “41”. She represents the future of the Oliver program. She demonstrates the power in this Gene pool and the ability for it to be linebred for consistency and prepotency.

O Mr 147-142-305
Son of “147”

O Mr 97-120-234

This proven Herd Sire is a son of “97” and Grandson of “41”.

Grass Finishing Steers

This crop of steer calves were raised on mother's milk and grass only - no creep. They have been weaned and are being fed a low-energy feed along with grass until sold. These steers are bred to perform on grass and hay and will fatten in that management model. They will be weighed again closer to sale time and sold on a per head basis.

Buyer can select which steers with a minimum of 5 steers per group.
