

# Overstocked Embryo Sale

## From These Great Donor Cows

### **N Bar Enchantress U139E**

*This prolific Donor is phenotypically flawless with a perfect udder and cow design. She is Sired by Bon View Emulation EXT 473 and out of a highly productive "5522" daughter. She always makes the right kind. The kind you can build a program around.*

### **N Bar Enchantress U139E**

### **Jauer NZ 41/97 931 8063**

*She was a top-selection and high - selling female in a former Jauer Sale. Sired by the popular and highly maternal Pinebank Waigroup 41/97 and out of a High Valley 4C6 Dam.*

*She offers power with depth of rib and volume, without sacrificing maternal efficiency on grass.*

### **Jauer NZ 41/97 931 8063**

### **TSF Flora 4275**

*She hails from one of the most productive and well documented cow families in the breed with a Pathfinder Dam and Grand Dam. She has a total of 9 Pathfinders in her first 3 generations.*

*She is sired by "6807" and her Dam is by Big Elban of Graham 16569.*

### **TSF Flora 4275**

## **Embryos Sired By**

**Churchill of Wye - Leachman Right Time - Big Elban of Graham 16569  
OCC Great Plains 943G - NBar Emulation EXT**
