Via Tel-0-Auction

Featuring Genetics Of Calvo, OCC, and Red Hill
Maternally Efficient, Easy Fleshing, Calving Ease
Cattle That Thrive In A Low Input Grass Management System

Prairie Ridge Red Angus Bull & Female Sale

Early Bidding April 4 & 5 • Bid-Off April 6 - 7pm ET
Via Tel-0-Auction

*Maternally Efficient - Easy Fleshing
Calving-Ease Cattle That Thrive On Grass*

Sale Book On Web At
www.brubakersales.com

SaleDate

Cattle will sell via Tel-O-Auction on April 6th, 2022. Early bids will be accepted on April 4th and 5th via phone at 540/908-5799.

On April 6th – Bid-Off

Buyers need to register at least 1-hour prior to sale time at 7pm Eastern time. At registration you will receive the call-in number and pin code and buyers number to participate in the auction.

We will start the sale with any Lots with pre-bids then those lots without a pre-bid.

If you place a pre-bid and there is no counter bid – you must purchase that lot.

To Register call 540/908-5799.

Minimum Bid

Bulls will carry a minimum bid of \$2,000.

Retained Ownership

Sometimes you never see the value of a bull until you evaluate his progeny, therefore, Prairie Ridge will retain a 1/3 semen interest in all bulls. Buyer receives full possession, control and salvage value of the bull. If so desired in the future PRR may wish to collect semen at their expense and buyer's convenience.

Delivery

Prairie Ridge and Brubaker Sales will assist you with Shipping. To provide least-cost loads to a central point.

Health

Health is ideal. Bulls will be semen tested. All cattle going out of Iowa will be accompanied with proper health papers.

Payment

All purchases will be invoiced. Payment must be received prior to shipping.

EPDs (Expected Progeny Differences)

We breed cattle based on proven pedigree and environmental adaptability to perform in a low input on grass. We are not chasing the maximums, we want optimums. You can look up EPDs for each animal at www.redangus.org.

Dear Cattlemen,

Welcome to our inaugural Bull Sale. We appreciate your interest in our program. Thank you for taking the time to read through our Sale Book.

Our herd is a no-frills program managed on grass and forage like most commercial herds. We value the basics as these traits pay us the most in the long run. Fleshing ability and do ability without the high cost of grain. We require our cattle to be fertile with calving ease to be problem-free. What some people call convenience traits we call essential traits for sustainability.

If you have any questions do not hesitate call or feel free to arrange a time to visit.

Samuel Maibach

Welcome Producers,

The Maibach Family are a breath of fresh air in the cattle business. They have conviction in their beliefs to breed the type and kind of cattle that work for them and their customers. I applaud their efforts to make cattle function and thrive on grass – not the “bull of the month club”.

The Sale format may be new to some of you. Read the book and it should become clear. Buyers will be on a conference call bidding as if on the seats at a tradition auction but at a slower pace. Early bids have the advantage of being the first bid on that animal.

Any questions feel free to call Ken Brubaker and call him for your bid number and conference call numbers.

This is an exceptional offering of bulls and we hope to hear from you.

Ken Brubaker

LONG-YEARLING CALVING-EASE BULLS
